He heard them kissing on the sly,
He peeped in through the door,
And then he cried in accents high,
"Say, sister, what's the score?"

After thirteen years of faithful service as Cashier in the freight office of the C. and O. at the West End Depot, Mr. E. L. Willett has resigned the place and accepted a position in Mitchell, Finck & Co.'s Bank as bookkeeper. True, as he is familiarly known by his intimates, is one of Maysville's exceptionally fine young men—sober and industrious, polite and accommodating. It follows that he is popular and a general favorite with the public. While the Bank is fortunate in securing his services, Mr. Willett is to be congratulated in having been chosen to fill the responsible and lucrative position.

BEST KNOWN. KNOWN AS THE BEST. THE SQUARE DEAL MAN'S LINE OF MERCHANDISE.

A Full Line Of Everything the Farmer Needs!

A repository filled with first-class Vehicles of every description. More than 300 set up. An assortment not found in any city this side of New York. Cincinnati not excepted, and at 20% less than so-called "Direct-from-Factory Prices."

Our Harness Department is complete. We are justly proud of its reputation. If your harness were gotten from the Square Deal Man it is all right. Horsemen will find in our Horse Boot Department just the kind of boot he wants, as we carry a full and complete line ALWAYS.

When we tell you we are agents for the "Old Hickory" Farm Wagon, the most perfectly constructed and lightest draft farm wagon on the market, we have said enough.

"Hoyal" Fence is rightly named. Its merit puts it at the head of its class—that of square mesh, continuous stay wire fence. It is made of heavy, hard, still steel wire, and it is not an experiment, but a thoroughly tested article.

Hardware for farm and kitchen.
Roofing, all kinds.
Poultry Fence, all sizes. In fact, most everything the farmer needs.

The production of "The Cry Baby" last night at the Washington Theater was witnessed by quite a slim audience, but those present were unanimous in declaring that Mr. G. Carlton Guy, in the title role, gave us a character portrayal that was about as sweet, pleasing and clever bit of acting as one would wish to see. As the quiet, brave, awkward and unusual cowboy of the West, he was a "nature faker" and the sincere, true lover, that filled the bill. The play was a unique one, combining effete Eastern scenes with wild and woolly West scenes, with shooting up the town and killings galore. We, in Maysville, are getting to like any old thing in the way of theatricals. But Mr. Guy is the real thing and is a real star in the histrionic heavens. But, oh, heavens! why they ever named the thing "The Cry Baby," deponent saith nix.

WONDER if the Maysville City Council ever take a squint at Sutton street? NO SECRETS

People of Maysville May Know What is in the Medicine They Take. An Enterprise Which Merits the Endorsement and Hearty Support of the Public

Health should be more seriously considered and safeguarded. The United States Government has partially awakened to the fact and now compels the publication of certain ingredients on the packages of medicines that contain them. That was a step in the right direction, but it did not reach far enough.

The public should know and be told about every ingredient of every medicine they take. In my business of selling drugs and medicines, I am compelled to sell what the public demands, even though some medicines I sell contain drugs injurious to the good health of the person using them.

I have often attempted to overcome this evil, but I was almost powerless until I became affiliated with about two thousand other leading druggists in a co-operative enterprise, known as the United Drug Company. Through this large co-operation of druggists, it was possible for experts to travel all over the country for more than two years in search of extraordinary remedies. When they found a remedy that was perfect they purchased its prescription. The druggists themselves also contributed prescriptions that they knew to be good through their having been continually prescribed and successfully used by eminent physicians.

In this way about two thousand different prescriptions were collected. These were then carefully classified; remedies compounded from them and thoroughly tested by actual use for a long period under the supervision of a committee of expert chemists and physicians, until about three hundred different remedies were selected as being the best for the treatment of certain ailments or diseases.

I am now able to offer these remedies of known and proved curative value to the people of Maysville. I will truthfully tell anybody

all about them, explain what they contain, and give my own personal guarantee that they are and will do exactly as I represent, or they will cost the user nothing. These medicines are called "Rexall Remedies," which means King-of-All. There is one special specific remedy for each human ail. Therefore no one remedy is a "cure-all."

I earnestly urge you, my neighbors, friends and acquaintances to use Rexall Remedies on my personal, positive guarantee that you pay me nothing if for any reason they do not prove entirely satisfactory to you. Now, you must realize that when I make this bold statement, I must be absolutely positive that I can back it up to the entire satisfaction of the public. Otherwise, I would lose your friendship and patronage, ruin my business and suffer a very severe financial loss.

I make this statement with a full understanding of what it means to me, and because I am certain I can make it good. I know all about the Rexall Remedies, what they contain and their power to do great good for suffering mankind.

Rexall Dyspepsia Tablets was the first Rexall remedy made. They are composed of the well known properties of Bismuth, Subnitrate, Pepsin, Carminatives and their agents, in perfect combination. They are incomparable and invaluable for the positive cure of indigestion and Dyspepsia, whether acute or chronic. I urge all in need of such a remedy to try Rexall Dyspepsia Tablets at our risk. Three sizes, 25c, 45c and 85c.

When you purchase Rexall Remedies, you are buying health insurance, and I do not believe I could sell you anything with a more secure and liberal guarantee. When you are in need of medicine, remember this offer and take advantage of it. THOS. J. FOXWORTHY

The case is of vital importance to the State at large, and the outcome will be watched with interest.

SOCIAL EVENTS

A very pleasant and profitable social evening was had by the members and friends of the Third Street M. E. Church last evening at the church. Since the first of the year a very successful money-raising and debt-paying campaign has been in progress, it being done with \$1 subscriptions. Last evening marked the close of the campaign, the amount aimed at from the beginning having been secured.

UNION LEAGUE MEETING

This Evening—Dr. Crossfield the Principal Speaker

Everyone is invited and urged to attend the mass meeting of the Union League of Christian Endeavor this evening at the Christian Church. The meeting begins at 7:30 o'clock.

Dr. Crossfield, the speaker for the occasion, will arrive today and will be met by a special committee, who will extend to him the courtesies of the city.

From inquiries made among the Young People's Societies, interest in this mass meeting is intense and a crowded church is confidently expected. You will be the loser if you miss it.

ENTERTAINS A MANIAC

Wonderful Tact of Little Daughter of Captain Oscar Barrett

Little Dorothy Barrett, 13 years old, daughter of Captain Oscar Barrett of Dayton, entertained a maniac for two hours Wednesday while waiting for help she had summoned by telephone.

Dorothy's parents are in California, and the children are at home with the servants. The latter were out when Grant Harpole called at the house, informed Dorothy that he was a relative and announced that he would remain indefinitely with the family.

He began to act strangely and, exclaiming herself for a moment, Dorothy telephoned to the home of friends. Then she brought the guest into the parlor and proceeded to entertain him while awaiting the arrival of assistance. When help arrived the stranger was escorted out of town.

Cultivating Slimness

Fat women must take this injunction to heart if they want to be in style, for the new modes will not drape over a fat figure.

The fat has got to come off quickly but without harm, of course, and this means only one thing can be depended upon. Exercising or dieting are too slow. The fat woman who wants to wear form-clinging gowns must make an immediate trip to her druggist and get a case of Marmola Prescription Tablets, which will cost her about 75 cents.

Taking one of these after each meal and at bedtime should be enough to bring her to the "losing-a-pound-a-day" stage before even the first case is used up. It is hardly believable that such delightful results can be obtained without harm and for such a small sum of money, but then, fact is stranger than fiction.

Test the effect of these tablets by getting a case yourself, either from the Marmola Company, Detroit, Mich., or from any druggist. They are made in exact accordance with the famous Marmola Prescription and, consequently, cannot have any ill effects.

MRS. NANCY FOXWORTHY TOLLE.

Mrs. Nancy Foxworthy Tolle, widow of the late M. B. Tolle, passed away at her residence in East Second street this morning at 4:10 o'clock. She had been an invalid for several years, but was confined to her bed only one week.

Mrs. Tolle was born at Mayslick October 12th, 1825, being in her 84th year. She had been a resident of this city twenty years.

She is survived by three daughters, Mrs. W. C. Booton, Mrs. George Shipley and Mrs. Lizzie Mason, all of whom resided with her, and one stepdaughter, Mrs. L. M. Collins of Orangeburg. She was also an aunt of the late J. W. Foxworthy of this city.

Mrs. Tolle had never made any profession of religion but was strong in the faith of the Old School Baptist Church, believing that God did nothing only what was right.

The funeral will take place from her late home in East Second street Sunday afternoon at 1 o'clock, with service by Rev. Ross Arnold, Pastor of the First Baptist Church.

Interment in Mt. Olivet Cemetery.

Please omit flowers.

Was such with those who took advantage of it that I feel that I should give those who missed it one more chance. My stock of Marrowfat Peas is entirely sold out. This week I am going to offer in place of them a very fine Wisconsin Silted Pea at 3 cans for 25c. This is a special bargain.

I have just got in a carload of fine Tomatoes, Corn and Pie Peaches direct from the packers and the specially low prices heretofore named will continue on these elegant goods. I have also a fine lot of country-cured SHOULDERERS on which this week only I make a specially low price of 10c per pound.

And don't forget about my stock of Northern Seed Potatoes, Garden Seeds and Melon Seeds of all kinds, Onion Sets, white and yellow.

Flour is advancing, and my advice is to buy a barrel of Perfection right now. No better can be made. You will save money.

Because he did not renew his bond on March 1st, as was required by law, Joshua Cummins, Sheriff of Bracken county, may lose his office. The law requires that a Sheriff shall renew his bond on March 1st of each year, but Cummins did not renew his until March 25th. Frank P. James, State Auditor, said Tuesday that he did not know positively whether or not the Sheriff would lose his office, but he thought such would be the case. It may be that Sheriff Cummins had given bond in Bracken county in time and that, therefore, he would be saved.

Deafness Cannot be Cured by Local Applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge.

Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the urine is dark, foul-smelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Maysville citizen.

Mrs. Elmer Bridges, 206 West Third street, Maysville, Ky., says:

"I consider Doan's Kidney Pills an excellent kidney remedy and one that deserves a trial by anyone afflicted with disordered kidneys. I was subject to attacks of kidney complaint from childhood, and as I grew older the trouble became more severe. In my efforts to find relief I used remedy after remedy, but obtained no benefit until I began using Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore. They proved to be just what I needed, going directly to the seat of my trouble and entirely relieving me. I always keep a supply of Doan's Kidney Pills on hand in case I have a return of the trouble."
